INNOVATION CELL

CIRCULAR

Subject: Constitution of Innovation Cell

In order to foster a culture of innovation, creativity, problem-solving, and experiential learning, and in alignment with NAAC – Research, Innovations and Extension and NBA requirements on student outcomes and innovation ecosystem, the Management of Sri Chaitanya Technical Campus has decided to constitute an Innovation Cell with immediate effect.

The Innovation Cell will function as a platform to promote idea generation, product development, interdisciplinary projects, startups, and participation in national innovation initiatives.

Objectives of the Innovation Cell

- To promote innovation-driven learning and research
- To encourage student-centric, project-based, and experiential learning
- To support development of prototypes, models, and proof-of-concepts
- To enhance Program Outcomes (POs) and Program Specific Outcomes (PSOs)
- To connect innovation activities with entrepreneurship and incubation

Composition of the Innovation Cell

1. Chairperson: Dr. Shaik Abdul Muzeer, Principal
2. Coordinator: Dr. Sanga Prathap
3. Members:
 - M. Venu CSE (Senior Faculty)
 - Durga Bhavani (Faculty – R&D / Innovation)

Functions of the Innovation Cell

- Identification and mentoring of innovative ideas and student projects
- Organization of hackathons, ideathons, innovation challenges, and bootcamps
- Support for prototype development and participation in competitions
- Coordination with IPR Cell, EDC, and Incubation Cell
- Documentation of innovation outcomes for NAAC / NBA accreditation

This circular comes into force with immediate effect.
